

The Parent Advocacy app is for the family of a child who is deaf or hard-of-hearing.

The Parent Advocacy app will enable the family to:

- Understand what an Individualized Education Plan (IEP) means and how you can participate in the meeting.
- How does a 504 plan meetings differ from IEP meeting
- What advocacy principle to use when it come to a 504 plan or an IEP meeting.
- Fillable checklist and notes
- Common questions about each type of meetings
- 6 strategies to advocate your child
- Linked to resources and how to contact parent and deaf organizational partners for assistance

The Parent Advocacy app is a collaboration between: The National Association of the Deaf, Gallaudet University Laurent Clerc, National Deaf Education Center, American Society for the Deaf, and Hands & Voice.
